Aims

This policy aims to:

- Provide background information about the pupil premium grant so that all members of the academy community understand its purpose and which pupils are eligible
- Set out how the academy will make decisions on pupil premium spending
- Summarise the roles and responsibilities of those involved in managing the pupil premium in the academy.

Legislation and guidance

This policy is based on the pupil premium conditions of grant guidance (2021-22), published by the Education and Skills Funding Agency. It is also based on guidance from the Department for Education (DfE) on virtual school Heads' responsibilities concerning the pupil premium, and the service premium. In addition, this policy refers to the DfE's information on what academies should publish online and complies with our funding agreement and articles of association.

Purpose of the grant

The pupil premium grant is additional funding allocated to publicly funded schools and academies to raise the attainment of disadvantaged pupils and support pupils with parents in the armed forces.

The academy will use the grant to support these groups, which comprise pupils with a range of different abilities, to narrow any achievement gaps between them and their peers.

We also recognise that not all pupils eligible for pupil premium funding will have lower attainment than their peers. In such cases, the grant will be used to help improve pupils' progress and attainment so that they can reach their full potential.

Use of the grant

We will publish information on the academy's use of the pupil premium on the academy website in line with the requirements set out in our funding agreement and the DfE's guidance on what academies should publish online. We will publish our pupil premium strategy annually using the standard Gov.UK template.

From academic year 2021 to 2022, schools must demonstrate how their spending decisions are informed by research evidence, making reference to a range of sources including the Education Endowment Foundation's (EEF) toolkit. In line with the EEF's pupil premium guide, activities should include those that:

- support the quality of teaching, such as staff professional development;
- provide targeted academic support, such as tutoring; and
- tackle non-academic barriers to success in school, such as attendance, behaviour and social and emotional support.

Eligible pupils

The pupil premium is allocated to the academy based on the number of eligible pupils in years 3 to 11. Eligible pupils fall into the categories explained below.

Ever 6 free school meals

Pupils recorded in the most recent January census who are known to have been eligible for free school meals at any point in the last 6 years (as determined by the DfE's latest conditions of grant guidance). This includes pupils first known to be eligible for free school meals in the most recent January census.

It does not include pupils who received universal infant free school meals but would not have otherwise received free lunches.

Looked after children

Pupils who are in the care of, or provided with accommodation by, a local authority in England or Wales.

Post-looked after children

Pupils recorded in the most recent January census and alternative provision census who were looked after by an English or Welsh local authority immediately before being adopted, or who left local authority care on a special guardianship order or child arrangements order.

Ever 6 service children

Pupils:

- With a parent serving in the regular armed forces
- Who have been registered as a 'service child' in the census at any point in the last 6 years (as determined by the DfE's latest conditions of grant guidance), including those first recorded as such in the most recent January census
- In receipt of a child pension from the Ministry of Defence because one of their parents died while serving in the armed forces
