

Derby College Broomfield Hall

Derby College, Broomfield Hall is an extensive working estate near the village of Morley in Derbyshire. The campus supports the land-based, animal care, equine, leisure, sport and public services sectors.

Students are on a variety of pathways leading to positive destinations in the world of work, further and higher education. Broomfield is also the home of our Pathway to Independence and Pathway to Working Life Small Animal

Care programmes.

**Description****Inclusion and Support at Derby College**

The Inclusion and Support Service at Derby College is here to help you maximise your potential and reach your learning goals.

We offer support on all college sites in-class, outside of the classroom, with exams and assessments and in the wider college environment.

This support is to enable you to access all available opportunities and to have the most positive learning experience whilst studying at Derby College. Whatever learning difficulty or disability you may have, we can offer tailored support to match your individual needs.

We work in partnership with you, your Local Authority, teaching staff, other internal services and external organisations to provide a person-centred approach. The support we offer is regularly reviewed and our aim, where possible, is to guide you towards independence.
